Garrett Sanborne – Associate Band Director - Percussion

Beau Hunter - Associate Band Director
Christopher Smith - Color Guard Director

2011 Texas State Championships – March 31-April 1, 2012

COMPETITION SPONSORSHIP PROGRAM

To Whom It May Concern:

This year the Color Guard of the Pride of Pearland Marching Band and the Catalyst Color Guard Program of the Dawson High School Eagle Marching Band, both recognized IRS 501(c)3 not for profit organizations, has developed several unique advertising opportunities. This new program enables a community business to purchase advertising with different levels of commitment.

The best part of this program is that the proceeds will assist all students participating in the award-winning color guard and band programs. All of the funds raised through this sponsorship are used 100% for the students and their pursuit of excellence.

This year, Pearland HS and Dawson HS will host the Texas State Championships for the Texas Color Guard Circuit. There will be 200 competing units at the state championships, and an expected 3,500-4,500 spectators over 2 days. This is a fund-raising event for both band programs, so your advertising purchase directly supports both organizations.

We have three opportunities for you to utilize advertising dollars while gaining a tax deduction. We have a program ad option, a vendor space option and a banner option. It is a business opportunity that will benefit both parties. Your help and support is greatly appreciated.

Our communities, whether we refer to our color guard pageantry community or the communities where we live, are built on neighbors helping neighbors - just like this program. Our goal is to bring community commitment back in style and give us one more championship organization.

Sincerely,

Christopher Smith – Director
Pearland High School Color Guard
