Greetings,

On behalf of everyone at Pearland High School, I would like to welcome you to our school! We are thrilled with the opportunity to host our own show again this year. The amount of dedication, perseverance, determination, and teamwork demonstrated by these performing groups is truly an inspiration. It is such a privilege to watch the performances by these outstanding ensembles.

The family and friends who make up a TCGC audience are second to none! This support is what makes this organization a great activity for all students.

Please feel free to CHEER LOUDLY and let them know that all of you are here.

Whether you are a performer, spectator, or both, Pearland volunteers are here to ensure that your day at our school is enjoyable. If they can be of assistance, please ask.

Have a GREAT show!
